PROFESSIONAL SUMMARY

Operations professional with approximately 2 years of experience in high-volume enterprise environments at Walmart Global Tech and Toyota Motors India, including hands-on experience facilitating onboarding walkthroughs and knowledge-sharing sessions for new team members. Skilled in SLA/TAT-driven query resolution, audit-compliant documentation management, vendor and cross-functional coordination, and accurate data tracking using Excel and Power BI. Proven ability to manage competing priorities and tight timelines while maintaining accuracy, empathy, and professionalism — committed to delivering a smooth, confidence-inspiring Day 1 experience for every new joiner.

CORE COMPETENCIES

Onboarding & Documentation: New-hire onboarding walkthroughs | Day-1 readiness coordination | Documentation collection & verification | Audit-compliant recordkeeping

SLA & Process Compliance: SLA/TAT governance | Change governance & process audits | Process streamlining | Root cause analysis

Stakeholder & Vendor Coordination: Frontline query resolution | Vendor & cross-functional coordination | Event logistics | Empathetic communication

Data & Reporting: Excel / Google Sheets | Power BI | MIS reporting & trackers

WORK EXPERIENCE

Resolution and Process Analyst Feb 2025 – Present

Walmart Global Tech (Fortune 1 Company) | Bengaluru, India

Focus areas: New-hire onboarding walkthroughs | SLA/TAT compliance | Audit-compliant documentation | Vendor & stakeholder coordination | Data trackers

- Organised and facilitated knowledge-sharing sessions and onboarding walkthroughs for new team members, ensuring smooth integration into enterprise workflows and Day-1 readiness.
- Managed high-volume operational workflows across multi-region ticket queues, delivering frontline query resolution for stakeholders while maintaining strict SLA and TAT compliance.
- Designed structured administrative processes and SOPs while drafting change governance artefacts and maintaining audit-compliant documentation, coordinating with internal teams to resolve discrepancies end to end.
- Built SLA and CSAT dashboards in Power BI and BigQuery to maintain accurate, real-time data trackers, enabling data-informed decisions for leadership across geographies.
- Led implementation of the AI Support Co-pilot, coordinating with the vendor, engineering, and operations teams to schedule demos, collect feedback, and drive cross-team adoption.

Marketing Operations Analyst Jul 2024 – Feb 2025

Toyota Motors India (Leading Global Automotive Manufacturer) | Bengaluru, India

Focus areas: Event & vendor coordination | Cross-functional collaboration | Process adherence | Stakeholder communication

- Coordinated regional marketing campaigns and event logistics across multiple markets — managing timelines, vendor coordination, scheduling, and post-event reporting alongside stakeholder communications.
- Collaborated with cross-functional teams to ensure seamless process adherence, demonstrating empathetic communication and a strong service-orientation across diverse stakeholder groups.
- Developed MIS reports and Power BI dashboards to track campaign KPIs, providing leadership with consistent, actionable visibility into operational performance.

EDUCATION

Bachelor of Computer Applications (BCA) — Surana College Autonomous, Bengaluru 2022 – 2024

Major: Data Analysis

CERTIFICATIONS

Google Advanced Data Analytics (2024) | Microsoft Power BI Data Analyst (2024) | Google Data Analytics Professional (2023) | Google Prompting Essentials (2025) | Use AI as a Creative or Expert Partner (2025)

LEADERSHIP, ACHIEVEMENTS & INITIATIVES

- Service Director, Rotaract Club (2024 – 2025): Led community service initiatives and organised large-scale events for 100+ attendees, demonstrating strong project management, team leadership, and people-first conduct.
- Additional Initiatives: Independently built three operational tools (a call-quality auditor, an HR query co-pilot, and a service-coordination platform), reflecting a self-driven process-improvement mindset; also Hackathon runner-up for a BI dashboard and Founder of PixelBloom Digital Agency, delivering web design and marketing solutions end to end.
